YOUNG PROFESSIONALS GROUP

**After all, it is OUR community.**

NextGen Dublin is not just an ordinary networking group. It is a young professionals organization that works to develop, connect, and empower you through professional development, community involvement and business success within the region. You will have fun, pitch in, develop long-lasting friendships and make a difference in the lives of those in our community.

NextGen Dublin hosts various events throughout the year including social, networking, member appreciation, professional development and sports activities.

Thank You NextGen Dublin Partners:

**Roush Hardware**
